Section B: Applicant Information – Tell us about yourself

- Please provide a phone number where it is easy to reach you if we need more information.
- If you currently receive benefits from the Department of Social Services or you received benefits in the past, please list your client ID number if you know it.
- If you do not want HUSKY health insurance for yourself, you do not have to give us your Social Security Number. However, Social Security numbers can help us process your application faster. We use Social Security numbers to verify income.
- We ask if you are a U.S. citizen. If you do not want HUSKY health insurance for yourself, this information is not required.
- We ask if you are Hispanic or Latino and for your race. This information is voluntary. It is collected for statistical purposes only.

Section C: Information on other people who want HUSKY health insurance

Please provide information about people who want HUSKY health insurance. Include yourself if you want HUSKY coverage too. Also, include information about any other parent in the home who needs HUSKY. Attach additional sheet(s), if needed. Social Security Numbers and immigration information are required for everyone who wants HUSKY A health insurance. Social Security numbers are not required for children who are eligible for HUSKY B.

Section D: Other Household Members

Give information about family members who live in the home but do not want HUSKY health insurance. List all parents, stepparents, spouses and brothers and sisters (under age 19) of the children for whom you are applying. Also, list your spouse if he or she is not the parent of any of the children and you want HUSKY for yourself. We ask for the Social Security numbers of these people, however, this information is not required. We will process your application even if you do not provide a Social Security number for a person who does not want HUSKY coverage.

Section E: Information on Parents Who Do Not Live in the Household.

If you are a parent or a caretaker relative living with a child and you want HUSKY coverage for yourself, you must agree to cooperate with child support. This means that you will give us information about parents who do not live in the home and help us pursue medical support. If you do not agree to cooperate you cannot get HUSKY for yourself; however, your children can still qualify for HUSKY.

Pregnant women do not have to provide information about the father of the unborn child. Also, if you do not want to cooperate because you may be subjected to abuse by the absent parent, you may ask for an exemption from this requirement.

If you do not want assistance for yourself you do not have to cooperate with child support. However, we can help you receive child support and medical support for the children if you want us to.

If you are a non-custodial parent applying on behalf of your children you must give information about yourself.

If you need help obtaining child support payments from a parent, please call the Child Support Information Line at 1-888-233-7223. This is a toll free number.

Section F: Employment Income Information

This section asks for earnings information on the individuals who want HUSKY health insurance and other family members whose income we count. Be sure to list all jobs held by these individuals. Please list gross amounts. Gross income is the amount before anything is taken out for taxes or other expenses. Also, include self-employment income. If you are self-employed, show the amount of your income after you subtract self-employment expenses. Self-employment expenses are the cost of doing business. These costs may include rent on your business location and the cost of materials, supplies and equipment. They do not include depreciation on property or equipment.

We do not count the earnings of children who are in school so it is important to include the school information of any student who works. Attach additional sheet(s) if necessary. Do not include information about yourself, if you do not live with the children.

Section G: Other Income Information

In this section be sure to include all unearned income received by the individuals listed in Sections C and D of the application. Also, include your unearned income if you are a parent who lives with the children or if you are another relative who is responsible for the children and you want HUSKY health insurance for yourself. Do not include information about yourself if you do not live with the children. Attach additional sheet(s) if necessary.

Section H: Day Care Expense Information

Day care expenses may be used to reduce the amount of household income that we count. A day care deduction may make a difference in whether or not you may have to pay premiums or co-payments. Day care expenses may be for a child or for a disabled adult. We give you credit for day care expenses even if they are paid by the state, so list these payments too. (If you need help with day care, please call the toll free Child Care InfoLine number at 1-800-505-1000.) Send us a letter from your day care provider showing the amount you pay for day care.

Section I: Health Insurance Information

In the first part list only those individuals who currently have insurance. In the second part list only those individuals who have terminated health insurance in the last two months. In the third part, be sure to show information about your medical bills. If you qualify for HUSKY A, we may be able to help pay for medical expenses incurred in the three months before you applied. Also, we may use your medical bills to determine your eligibility for HUSKY A.

Section J: Immigration

Verification - Please provide immigration information and documentation for anyone who is not a U.S. citizen and who is applying for HUSKY health insurance. Documentation may be a copy of his or her alien registration card (I-94 or I-551) or another form showing his or her status. If the non-citizen is a member of the United States armed forces or a US veteran check yes in the last box. Also, if the non-citizen is a spouse, widow or minor child of someone who is a member of the US armed forces or a US veteran, check yes in the last box.

Other household members - You are not required to provide this information for anyone who does not want HUSKY health insurance. You can get HUSKY for eligible family members even if your family includes other members who are not eligible because of immigration status. For example, immigrant parents may receive HUSKY for children who are U.S. citizens even though the parents may not qualify because of their immigration status.

INS and HUSKY - We will not share any information you give us with the Immigration and Naturalization Service (INS).

Public Charge - INS CANNOT use this application or your children's enrollment in HUSKY to deny you admission to the U.S., harm your permanent residence status or deport you.

Section K: Tribal Membership

If you or any of the children, for whom you are applying, are members of a federally recognized tribe, please identify tribal membership. Members of federally recognized American Indian tribes and Alaskan Natives, who qualify for the subsidized HUSKY coverage, do not have to pay premiums and co-payments.

Section L: Read Carefully and Sign/Signatures

This section lists legal terms that you agree to. You should read this carefully before signing this application. If you applied for the children, you should sign your name on the applicant's "Signature" line. If you sign with an "X", someone else must sign his or her name as a witness on the "Witness' Signature" line. If someone helped you complete the form, he or she should sign on the "Helper" line.
